# Durable, Long-Lasting, Easy-to-Maintain Coatings for Your Commercial Concrete Surfaces

FLEXMAR™ NextGen®—polyaspartic coatings lead the concrete coatings industry by outperforming and outlasting other polyaspartics, epoxies, and polyurethanes. They're rugged enough to withstand abrasion, scratching, and wear from heavy foot and vehicle traffic, and staining and degradation from most household foods and chemicals. But they're beautiful enough to provide a bright, clean, revitalized appearance to your commercial flooring.

Impervious to Chemicals

Scratch Resistant

Chip Resistant

Color Won't Fade or Yellow

## FLEXMAR™ NextGen™ Polyaspartic Coatings Offer Exceptional Performance

**4X MORE DURABLE THAN EPOXIES**

**0-Voc**

**Virtually No Odor**

**All Season Installation**

**Quick Return To Service**

**Non-Yellowing**

## FLEXMAR™ NextGen® is quick and easy to install

**But that's not the most important feature.  
The key is the time it doesn't take for installation.**

**Our coatings require minimum maintenance and last an extremely long time.  
We can have your floors ready and back in action in less than a day, minimizing downtime.**
